Child and Adult Care Food Program

Subject: Child and Adult Care Food Program Week March 13-19

The Arizona Department of Education appreciates all programs that offer nutritious meals to children and adults in Arizona. In celebration of your commitment to quality nutrition for children and adults, enclosed you will find materials that will assist with operating a quality food program.

ADE encourages that all participants on CACFP are actively involved with nutrition lessons and activities during CACFP week and year around. Because of your dedication to the provision of nutritious meals, children and adults in Arizona experience quality growth, health and wellness. ADE thanks you and wishes to support you with maintaining this endeavor. Please feel free to contact your program specialist if you have further questions.
